Steve, an American doctor, arrives at Pohang airport with his 13-year-old daughter Barbie . Mangtak greets them and takes them in his old car to his brother's place. Steve and Barbie find a small house where Mangtak lives with his wife and two children. In response to Steve's questions about why Mangtak travels so much, he says "it's not my problem". When Steve asks why he can't buy a car, Mangtak says he doesn't have much money and just doesn't want to buy a car. After all, he says, "You mean, you don't know why I don't buy a car because I don't have money."
