Lynn is an ordinary girl. She loves drawing and doing puzzles. One day, she receives a letter in a mysterious envelope: There's a letter attached to the envelope. A mysterious girl's name is written in the letter. Lynn can no longer bear it. After that, she went to her favorite place, the Nine-tailed Fox Painting. Inside the painting is a mysterious girl who is staring at her own picture on the wall. She introduces herself as Lady Lucy, and tells her that she has become a denizen of the painting. It is then that Lynn remembers the last time she saw the Nine-tailed Fox. She starts to feel something strange. What will Lynn do? Will she be able to return back to the real world?

You start off as a little “Sim” or “sims” in this 3D world full of Sim’s and Sims, but no one seems to be paying attention. One day you notice some changes, as if someone were trying to make the world a better place to live in. At first you see them as small improvements, but they grow over time and you begin to see them as something bigger. Every day, Sim’s are born and you start to feel that the better world you envisioned is coming into fruition. As more and more Sim’s start living in the better world, you start to realize something must be wrong. The events of this saga are told from the first person perspective of the Player. Gameplay Happier Days is a multiple choice hidden object game with the unique concept of retro-inspired graphics, the turn-based nature of a RPG, and a nostalgic narrative focused on community and classic characters of an earlier generation. Help Meredith, Jen, and Carol to revive New Providence Island, a city from the 1980’s. Dive into a beautiful island full of adventure, solve the mystery of the disappearing sunlight and prepare for the final showdown between the hero and the villain! Play locally or online, competing against your friends for the best score and most happiness! Solve puzzles, explore the city and collect useful objects to get the best rating and unlock new

levels! Every object can be used to solve puzzles, to transport items and to influence the story through the narrative of the game. Everything has a unique purpose in the game! In the year 2410, war with an alien race called the Eclipse has become an unstoppable force of nature. To defeat the enemy, the Republic of Star Fox must assemble a crack team of the best pilots in the galaxy. This team is the very first generation of Star Fox. At the helm of their trusty Arwing, players take off on missions across the vast expanses of the galaxy in search of clues that will help crack the mystery of the Alien World Order and free the galaxy of its oppression. As a member of Star Fox, you must explore the galaxy and face off against the enemy.

- Choose Your Hero Choose from the youthful Fox McCloud and his trusty blue ship, the Arwing, or the veteran Fox McCloud and his wingman Wolf O'Donnell and their red ship, the Gyrowing. Each with their own weapons, armaments, battle tactics, and signature dog tricks, each will have the tools they need to complete each and every mission. Choose your crew and choose your side.
- Customize Your Field Kit Level up each Star Fox character's strengths and weaknesses with the Field Kit system. The Field Kit system is one of the main features in Star Fox Zero. As your Fox becomes more skilled, he gains new abilities and weapons to assist you on your mission. The Field Kit system also allows you to save your equipment

before a mission and equip it during battle to make the most of your extra skills and abilities. As you play the game, you can enhance your weapons and abilities by levelling up your character. ● Exclusive Missions With Star Fox Zero, we wanted to make sure you'll have a lot of fun with the story. We think you'll be able to see the story through multiple playthroughs, but we also wanted you to see how the story played out in areas where there wasn't a playable character present. That's why we included 13 exclusive missions in Star Fox Zero that are not in Star Fox. You can pick up these missions after clearing the story mode and free them in Free Play. ● Over 30 Missions in Extra Modes We can't promise that we'll get through all of Star Fox Zero, but even if you can't get through it all, we've got over 30 missions that you can play in our Extra Modes. Climb to the top of the digital world with Star Fox Zero's Extra Modes. So get ready to fire,
