I worked my way up the ranks and eventually became a lead performer, first in the lion taming act, then the comedy/physical comedy act, and now I have become a clown.

Currently I... Living in Canada, I wasn't able to see a circus until a few years ago. I was extremely excited because they are not very prevalent here. I had never been to a circus before and I was very skeptical of what I was going to see. However, once I was in the tent, everything came together. I saw

everything I had hoped to see and more. For example, in the clown car there was a member of the Gunslingers that kept trying to hook me, and when I saw him later I discovered...
