The state of our city and this is not only the name of the District. No one cares about that. What we care about is what we are going to offer to the people who live here. what we are going to offer to future generations. The Parks and Recreation Department and the city council. without the parks and recreation we don't have the city. It is what keeps the city healthy, it is what makes the city stand out, and it is what makes people want to live here. We need to develop our parks, our river, for the future so that when we're looking back and we think of that time in 1995 and we think of that time in 2015. in the future we're proud of what we had, as well as what we had going on. If we continue to develop our parks, we'll continue to grow, and we'll continue to prosper. And that, I believe, is what we need. About Us Its amusing how the parodies keep coming for Google. First the movie, then the guy that came up with the idea on his website, and now this. John Vito was on a commercial radio show talking about his idea to not only make a vacuum, but to also make a vacuum belt. He was trying to sell his idea of making vacuum belts for commercial or industrial use. You can listen to the show on the following website. Its the daily show with a nice, bubbly host. He also had a website dedicated to his idea and just a few days after the show was on, his website was taken offline. [url= He was sued in 2004 by a guy that sued about 18 other guys about similar ideas. The idea was a belt that would help people lose weight. The owner of the website was just trying to sell his ideas for the belt. The same guy won the case and now he can keep trying to sell his idea of the belt. The website is still up, but it redirects to the same page where it was before.// // System.Web.UI.Design.HtmlParser // // Authors: // Gonzalo Paniagua Javier (gonzalo@ximian.com) // // (C) 2002 Ximian, Inc ( // // Permission is hereby granted, free of charge, to any person obtaining // a copy of this software and associated documentation files (the
