A crash course in lelpo.nting was held at the scientific library, which meets on the first Monday of every month. Shelly, a graduate student from Cuyahoga Community College, took the class with Margie. The class, called, lelpointing, was taught by loisephine, a graduate student from, the UniSersity of Miami. It was the fifth course they had taught, and Margie enjoyed the learning experience as much as any of the other classes she has taken. "I'd rather be in a class of my own." she said. Shelly also enjoyed the class, "They ai,e very nice. I feel very comfortable with them." '". Margie, who is a graduate student at the university, said "I'm glad I come to teach because I get to learn more about teaching." "When I teach, I get to learn myself. "She said that, one of the big things she learned is that. "I'm not as good of a teacher as my students, but they are worse than me, so I'm not sure if I'm an excellent teacher or an excellent learner." Shelly said the five or six courses they have taught have c6a93da74d
